

## FABRIC ANGELS

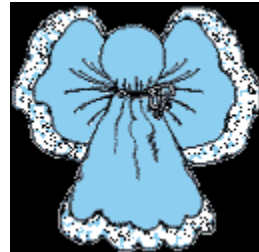

These are great for tree decorations, gift decorations or just an added something for a wall grouping. They can be made in any color or fabric design and for any season.

Parental supervision is recommended.

This project is rated AVERAGE to do.

### What You Need

- \* Fabric of any color or design
- \* Two different size circles to trace around
- \* Thread
- \* Lace
- \* Ribbon
- \* Foil garland or pearl strings
- \* Hot glue
- \* Sewing machine or needle and thread
- \* Cotton balls or stuffing

### How To Make It

1. Using two different size circles (I use a plate and a cereal bowl), cut one circle of each size from fabric for each angel. The larger circle is the body and the smaller circle the wings.
2. Sew lace around each circle.
3. Put a cotton ball or small amount of stuffing in the middle of the large circle. Using a piece of thread, tie the material to make a head.
4. Take the smaller circle, and tie tight a piece of thread in the middle to form wings. (This will make two fan shapes for the wings.) Tie the wings around neck of the body.
5. Take a piece of ribbon, and tie it around the neck to hide the thread. Make it into a bow.
6. Glue a halo, using pearls or garland, onto the head.
7. Sew a small loop of thread to the back of the angel to hang her by.
8. Enjoy. :
